

# Why not adopt your favourite?

Adopting one of our animals helps to support our rescue, rehabilitation and release programme – it also makes a great gift.

In 2019 we rescued over 80 pups and couldn't continue our work without your support.

## **Your adoption pack will include:**

History of the Cornish Seal Sanctuary, species fact file, information about chosen resident, certificate, two free entries, 20% off in one of our café or retail outlets and a Cornish Seal Sanctuary gift. You can even have a dedicated plaque or tree erected on site.

Please ask at reception for more information.

## **Text to Donate:**

To make a £5 donation, text **SEAL 5** to **70085**. Texts cost £5 plus your mobile phone provider's standard network rate. Alternatively, you can opt to give any whole amount up to £20. Thank you for your support!
