

DIVE INTO AN AMAZING UNDERWATER WORLD

- ★ Norfolk's **ONLY Seal Rescue Centre** open to visitors – watch tiny **seal pups** being cared for by our **specialist team**.
- ★ Come face to face with our **blacktip reef sharks** and **cownose rays** in the giant **Tropical Ocean Display**.
- ★ We are home to over **2,000 creatures** – from tiny shrimps to **Amazonian piranhas!**
- ★ Find out how it feels to **touch a starfish** or hold a crab at the **Interactive Rockpool Experience**.
- ★ With **fun talks**, animal feeds, the **NEW Rainforest Creature Experience Shows** and the **Dive Adventure Quiz Trail** – there's plenty for everyone at Hunstanton SEA LIFE Sanctuary.

NEW!

MEET THE CREATURES AND BECOME A RAINFOREST RANGER!

Ever wanted to touch a snake, or how about holding a giant millipede? Well now you can! Come along and meet our new creepy crawly creatures, and hold them if you dare.

Did you know penguins can hold their breath underwater for up to 15 minutes?

BOOK ONLINE AND SAVE!
SEALIFE.CO.UK/HUNSTANTON

Southern Promenade, Hunstanton, Norfolk PE36 5BH
April - October 10am-4pm, November - March 10am-3pm.
Tickets are valid all day.
Booking / Info: 01485 533576

HOW TO FIND US!

Take the A149 from King's Lynn, and then follow the brown SEA LIFE signs. We are located on the promenade.
Take the bus from King's Lynn to Hunstanton, use the Southend Road stop, and then head for the promenade.

GREAT SAVINGS FOR GROUPS AND SCHOOLS!

MERLIN ANNUAL PASS

DON'T MISS 2016!
ERNIE - OUR GIANT GREEN SEA TURTLE!

HUNSTANTON SEA LIFE SANCTUARY

OVER 2,000 AMAZING CREATURES!

SEAL HOSPITAL!

Every year we rescue many tiny adorable seal pups from all over the Norfolk coastline. Lost, abandoned, injured, poorly, or just hungry - without our help they would not survive. See them in our Seal Rescue Centre.

OTTERLY ADORABLE!

Meet our family of Asian short-clawed otters – watch them play in their purpose built home complete with stream, waterfall and swimming pool!

WOW!

Sharks have 360° vision, except two small blind spots, behind their head and in front of their nose!

WOW!

Ernie, our young giant green sea turtle weighed around 75kg at his last "weigh-in". Did you know that green sea turtles can reach more than double this weight?

SEA LIFE
Breed
Rescue
Protect

Here at SEA LIFE Hunstanton we love the oceans and the amazing creatures that live in them. By sharing their beauty with you we hope that you'll join us in helping protect them for generations to come.

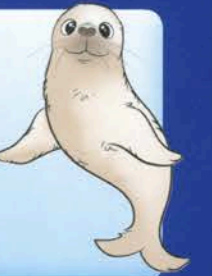

Breeding Vulnerable Species

Breeding programmes are an essential part of protecting our marine heritage. SEA LIFE is leading a managed European breeding program for the endangered undulate ray to help aid the steady increase of the wild population.

Seal Rescue

Every year we rescue and care for many seal pups found abandoned, lost or injured on our local beaches. After specialist care and treatment in our Seal Rescue Centre they are released back into the wild.

Protecting our local beaches and wildlife

Every year we organise beach cleans with local school children, cub scouts and volunteers. Together we can all work towards keeping our beaches clean

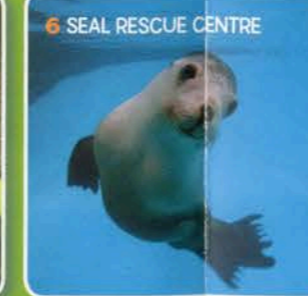

We're proud to support our partner charity The SEA LIFE Trust which is working to protect marine wildlife and habitats across the world. Look out for their latest campaigns, and simple ways in which you can get involved in protecting our oceans during your visit.
