SEA LIFE

Hunstanton

NEW
for 2017

Rainforest Ranger

Book online & save!
sealife.co.uk/hunstanton

Dive into an amazing underwater world.

Seal Rescue Centre

Norfolk's only Seal Rescue Centre open to visitors! Watch tiny seal pups being cared for by our specialist team.

Interactive Rockpool Experience

Find out how it feels to touch a starfish or hold a crab at the Interactive Rockpool Experience.

Tropical Ocean Tunnel

Come face to face with our sharks and graceful rays in the giant Tropical Ocean Display.

Penguins

Don't miss our playful colony of adorable Humboldt penguins! Watch them dive into their pool and play at the underwater viewing window.

Daily Talks and Feeds

With fun talks, animal feeds, the NEW Rainforest Creature Experience and the Dive Adventure Quiz Trail – there's plenty for everyone at Hunstanton SEA LIFE Sanctuary.

Get closer

Enter the world of common and grey seals rescued from the Norfolk Coastline and discover the role they play in our oceans.

Get up close to the top sea predator found around the British coastline at our Seal Rescue Centre and watch them swimming effortlessly underwater while being cared for right here at SEA LIFE Hunstanton!

During your visit come along to our daily talks and feeds and watch our resident seals playing in their specially designed pool.

Explore our amazing creature zones

Start your undersea journey of discovery at the magnificent Ray and Native Waters Zone and find lobsters, seahorses, British sharks and majestic rays. Get hands on at our Interactive Rockpool before meeting our piranhas in Rainforests of the World! Explore Clownfish Kingdom while you spot tiny shrimps and venomous fish from the world's tropical oceans. Our colony of Humboldt penguins, seals and family of otters are all waiting to meet you in our outside areas. Be amazed at Ernie, our giant green sea turtle as he swims amongst several species of tropical sharks and rays as you walk underwater through the ocean tunnel. Our Rainforest Rangers are waiting to show you some of their jungle beasts and creepy crawlies at our special creature handling sessions in the Rainforest Ranger Base Camp.

Wow factor

The Norfolk coast is home to both common and grey seals. The population of common seals found in the Wash is one of the largest in Europe and since opening in 1989 we have rescued and released hundreds of baby seals.

We're proud to support our partner charity The SEA LIFE Trust which is working to protect marine wildlife and habitats across the world. Together we have run successful campaigns to protect whales from hunting, to reduce plastic litter and to create new protected areas in the oceans. Look out for their latest campaigns and simple ways in which you can get involved in protecting our oceans during your visit.
