

S.O.S SQUAD

We need **YOU** to join our **S.O.S SQUAD!**

We're calling on all SEA LIFE Trust supporters to Support Our Sanctuaries and become part of our new squad.

Support our **RESCUE**, **REHABILITATION** and **RELEASE** work by giving monthly and becoming a squad member!

Each year, our Cornish Seal Sanctuary rescues, rehabilitates and releases around 70 seals and our Beluga Whale Sanctuary rescues, rehabilitates and releases an average of 50 puffins and we need you to join our squad so we can continue to do this vital work for seals and puffins.

From £5 a month, you can become a **squaddie**; helping us to continue our vital work rescuing, rehabilitating and releasing seals and puffins.
